

Bowl Icers

Belshaw's H & I Bowl Icers are designed and constructed for convenience, durability and reliability. The H & I method provides gentle, uniformly applied heat to the bottom portion of each icing bowl from a large tank full of warmed water.

STANDARD FEATURES

- Stainless steel construction
- 13" (33cm) diameter stainless steel bowls with aluminum lids
- Each bowl holds approximately 7 lbs (equivalent to 6 quarts) of icing (3.2 kg, 5.68 liter)
- H&I-2: water capacity approximately 15 Gallons (57 Liters)
- H&I-4: water capacity approximately 28.5 Gallons (108 Liters)
- Water heat controlled by thermostat (maximum temperature approximately 130°F (55°C))
- 4 heavy duty caster, (2 lockable)
- Drain and valve for emptying water

ACCESSORIES

- Extra bowls and lids are available to enable quick change of icing flavors.
- Part # 966-0010.A: 13 inch icing bowl, 6 qt capacity
- Part # 996-0011: Lid for icing bowl
